Informative Digest/Policy Statement Overview:

This rulemaking, and the emergency adoption already made, amends title 5, California Code of Regulations, section 19810 to make reference to the supplemental audit guide. It also adopts the supplemental audit guide for 2015-16 which makes clarifying revisions and addresses legislative changes in the conditions of apportionment of school funding.

This rulemaking meets the requirements of Education Code section 14502.1, which mandates that an annual audit guide be adopted by the EAAP. The purpose of the audit guide is to define

terms and specify procedures to guide accountants in the conduct of statutorily required financial and compliance audits of K-12 local education agencies. The Controller, pursuant to Education Code section 14502.1, has proposed amendments to supplement the audit guide for fiscal year 2015-16. The proposed changes derive from the Controller's proposals and also contain changes designed to clarify audit steps.

EAAP does not anticipate that these proposed amendments would create specific benefits for the protection of public health and safety, worker safety, or the environment, the prevention of discrimination, the promotion of fairness or social equity, nor the increase in openness and transparency in business and government. EAAP has determined that the proposed amendments will ultimately benefit the welfare of California residents by ensuring that local education agencies are in compliance with regulatory requirements. In developing the rulemaking, EAAP evaluated the proposed changes to regulations and determined that they are not inconsistent or incompatible with existing regulations, state or federal.

A description of proposed changes to section 19810, and a discussion of revisions to the audit guide, follow.

The annual guide is superseded by a supplemental audit guide, if needed, adopted before March 1 of each fiscal year. Audit Guide Amendments

The proposed supplemental 2015-16 Audit Guide includes the following changes:

- *Section R Educator Effectiveness* adds audit steps to address new legislation which provided funding for teacher effectiveness, subject to specific requirements of the LEAs (Assembly Bill 104, Statutes of 2015, and Senate Bill 103, Statutes of 2015).
- *Section U Proper Expenditure of Education Protection Account Funds* is revised to make a technical adjustment to remove the word “disbursed” to make the audit step a determination of whether funds have been properly expended.
- *Section W Unduplicated Local Control Funding Formula Pupil Counts* is revised to exclude any transitional kindergarten student who had their 5th birthday after Dec 2. New legislation allows enrollment in TK prior to a child’s 5th birthday, however, the child will not generate average daily attendance or be included in the unduplicated pupil count until the child is 5 (Assembly Bill 104, Statutes of 2015). Further, a technical correction is made to exclude juvenile court schools from audit testing, as all juvenile court school students are deemed eligible for the supplemental and concentration grants provided for targeted disadvantaged students.
- *Section Z Immunizations* is revised to exclude independent study and special education pupils from the audit testing for compliance with vaccine requirements (Senate Bill 277, Statutes of 2015).
