Notice of Proposed Emergency Regulations

Audits of K-12 Local Education Agencies – Fiscal Year 2022-23

Education Code Section 14502.1 requires the Controller, in consultation with the Department of Finance, the State Department of Education, and representatives of specified organizations, to propose the content of a guide for the required annual financial and compliance audits of school districts, offices of county superintendents of schools, and other local education agencies including charter schools. Section 14502.1 further requires the Controller to submit the proposed audit guide to the Education Audit Appeals Panel (EAAP) for review and possible amendment. The Panel is then to adopt the audit guide, pursuant to the rulemaking procedures of the Administrative Procedure Act, by July 1 of the fiscal year to be audited (and any supplement, as authorized, before March 1 of the audit year). EAAP has statutory authority to use the emergency regulations process to meet these deadlines (Educ. Code § 14502.1(b)).

Pursuant to the requirements of Government Code Section 11346.1(a)(2), EAAP is providing notice to every person who has filed a request for notice of regulatory action with EAAP, of proposed *emergency* regulations to revise the audit guide as of July 1, 2022, for the performance of the audits required by Education Code Section 41020 for the 2022-23 fiscal year. The proposed emergency regulations, audit guide (incorporated by reference in Section 19810) and Finding of Emergency are enclosed. You may also view this Notice, the proposed emergency regulations text, the audit guide, and the finding of emergency online at <http://www.eaap.ca.gov>.
